

COLOURED COCOA BUTTER

GEMSTONE COLLECTION

ROXY & RICH

— COLORANTS —

ROXYANDRICH.COM

THESE BRIGHT TONES OF COCOA BUTTER WILL ADD A TOUCH OF SPARKLE TO YOUR CREATIONS!

The Gemstone collection is coloured using fat dispersible colours and shimmering powder. Our cocoa butter can be used in a chocolate mould, or airbrushed, painted or applied with fingers directly on moulded chocolate.

ADVANTAGES

- Lustre finish
- Several attractive colours
- Easy to use
- Pre-tempered
- Edible (see next page for regional standards)

HOW TO USE COCOA BUTTER?

1. Melt it in a boiler or in the microwave.
2. Heat the bottle for 10 seconds.
3. Shake it, and continue heating for another 10 seconds.

Continue until the required amount of cocoa butter has melted. **Be careful not to overheat the cocoa butter. Overheating could change the texture, making it impossible to reach expected results or making the cocoa butter unusable.**

Cocoa butter colouring is sold as a solid.

AVAILABLE IN BOTTLES OF 56 g, 225 g AND 1 kg.
